***All MENTORS**: To ensure the highest standards of mentorship, mentors undergo a vetting process based on their past history as industry licensees. This includes checks on license purchases and transfers, review of past mandatory harvest reports, currently licensed ability to provide training in specific fisheries such as blue crab and public oyster harvest, and inquiries to verify and major violations (e.g. felonies). It is essential that mentors fulfill their responsibilities to support lawful, responsible, and knowledgeable future Waterman.*

Additional Questions*: This section must be completed in a short paragraph form.*

Please describe what you are hoping to get out of this program, and if selected how you plan on mentoring your intern?

Have you served or are you currently serving in the U.S Armed Forces?

If yes, what branch of the U.S Armed Forces did you serve?_____

ACKNOWLEDGEMENT

The information that I have provided is accurate to the best of my knowledge and subject to validation by VMRC. I understand and agree that any misrepresentation, false statement or omission of a fact in my application may be justification for not being accepted into the VMRC Watermen's Intern Program as a mentor. I will comply with all rules, regulations, and policies of the program, as well as any additional rules the VMRC may provide to me.
